Unique , exclusive SlimSash profile

Ultra-low profile glazing gasket means no thick black lines around the glass unit rendering the glazing gasket almost invisible

Fully welded frame

Adjustable friction stays for top-hung windows. Easy-clean friction stays for side-hung windows

Push-button, key lockable handles, available in a choice of colours incorporating an additional, lockable night vent position

High security, multi-point locking system -
• Bi-directional Deadbolt
• Roller Cam Bolts
• Twin Shootbolts
• Hinge Bolts (*optional*)

A choice of either black or silver, warm edge spacer bar

Internally glazed for **enhanced security**

Slimline profile minimises the frame thickness and maximises the glass area

Double -glazed unit uses clear, untinted, SGG Planitherm TOTAL + energy glass, **to achieve maximum amounts of incoming light, and an 'A' Energy Rating if required**

High-impact modified PVCu to **prevent cracking with age or extreme cold**

100% Lead-Free PVCu
